- The Endowment has a Spending Policy that requires it to distribute 4.25% of the assets each year, based on the average market value for the preceding 20 quarters.
- As a result of contributions to the Endowment, as well as good investment results, the distribution amount to the "community" is as follows (see chart):

- Your Rotary Club has a goal, as established in the five year strategic plan, to increase the contributions to the community from the Endowment to \$60,000 annually.
